In response to the Consolidated Appropriations Act Transparency in Coverage Rule, on behalf of the plans listed below, the following links will lead to the machine-readable files that will be made available and updated on a monthly basis through the respective self-insured health care carrier. The files include negotiated service rates (in-network) and out-of-network allowed amounts between health plans and healthcare providers. The machine-readable files are generally intended for use by third parties in efforts to access and analyze health care data. These files are not intended for use by plan participants.
